

Children's Day/Book Day Día de los Niños/ Día de los Libros

Greetings!

"Día de los Niños Día de los Libros" (Children's Day/Book Day) is an annual and national event that promotes literacy and the importance of linking children to books, languages and cultures.

Criss Cross Mangosauce is a group of bi-cultural artists promoting bi-lingual (English/Spanish) **music, storytelling and literacy programs in the US**. We have offered our programs to hundreds of families, librarians and educators across the region.

We are pleased to announce that we still have a **few open spots** for the month of April and beginning of May to bring to your library our interactive musical and storytelling performance to help you celebrating this important day with your staff and families around the area.

Criss Cross Mangosauce Duo

The **Criss Cross Mangosauce duo** makes children move and sing in both English and Spanish, using a combination of traditional Latin rhythms and classic American children rhymes. We also introduce sing-along stories, books and games from various countries in Latin-America.

Our program is a high energy and engaging experience that promotes cross-cultural understanding as well as the development of language, motor and literacy skills.
